MECHANISM FINISH

- Glossy Black Brass - default
- Matched to plate finish - see [Finish Catalog](#) for available finishes.

MECHANISM OPTIONS

Low-voltage momentary dry contact toggles and push buttons for use in class-2 wiring circuits only.

- BP - Momentary Push Button ("normally-open"). One contact closure.
- INV - Three-position toggle switch, returns to center position. Two contact closures ("UP" and "DOWN").
- INV M - Three position latching toggle switch. Switch can rest up at "UP" contact, center "OFF", or "DOWN" contact. Two maintained contact closures.

Mechanisms can be combined and configured according to project control needs.

Note: Additional low-voltage control options available. Contact MNA for more information.
